# INSPIRING, ENTERTAINING AND TRANSFORMING LIVES

Following an extensive consultation and rebrand process earlier this year we changed our name from Portsmouth Cultural Trust to The Guildhall Trust.

Since the Trust was formed in 2011, we have grown and diversified the organisation exponentially beyond just being responsible for shows and the operation of the Guildhall across Conferencing and Occasions, Learning, Equipment Hire, Security Services and Event Production and Management, with the new name providing a much better reflection of the services we now offer beyond Portsmouth and the Guildhall.

As a registered charity, it is the vision of The Guildhall Trust to become one of the leading cultural organisations in the country, inspiring, entertaining and transforming lives in our community. We provide a wide range of inspirational opportunities through our Get Involved programme which is increasing annually, with over 10,000 instances of engagement in the last year. As part of this we are delighted to announce a major new partnership with Global Rock Challenge Ltd to secure the future of this much-loved schools event and reach even more students across the UK.

To achieve our vision and build a sustainable future for Portsmouth Guildhall we are now embarking on a major project of Renaissance to renovate and restore the venue. Please read about our plans and add your support. #TimeToMakeItHappen

With an exciting Autumn/Winter Season of shows ahead we look forward to welcoming you! Thank you for your support.

Andy Grays  
Chief Executive Officer, The Guildhall Trust
