

DANCE LIVE! 2022 LAUNCH INVITE

It is with great pleasure that The Guildhall Trust, the charity that runs and manages the Portsmouth Guildhall, invites you to the launch of Dance Live! 2022 on Thursday 27th May 2021 at 5:00pm.

The launch will be a chance to introduce you to the exciting event, what we have been up to over the past year during COVID-19, celebrate our schools who have taken part and share the exciting plans for Dance Live! 2022. This is your opportunity to meet the team, find out what Dance Live! is all about, meet other schools/colleges/teachers that have participated and our supporters! It will also give you an opportunity to ask questions and find out how you can get involved!

For those of you who are new to Dance Live! and the charitable trust here is a little information about us:

Our Core Purpose is to deliver inspirational opportunities so that people want to engage with culture and the creative economy. Working with our community, our vision is for the Guildhall Trust to become a leading cultural organisation which places our communities at the centre of everything we do so that we can inspire, entertain, and transform lives.

Our leading project that encapsulates the above is Dance Live!, an annual dance event for Schools and Colleges which sees young people compete with choreographed routines to the backdrop of a giant LED screen, showcasing a range of dance, performance and creative design skills and off-stage technical capability. In February 2020, the event was a huge success with 39 schools and Colleges from across the Solent region taking part and over 2,000 young people.

"It is a very big event for our department and our college that we are so happy to be able to make happen for another year... Our students are already excited...it is clear that they have missed these opportunities...A big thank you to Dance Live for having vision and determination to make this happen!" - Quote from Richard Taunton Sixth Form College
