Portsmouth Guildhall is managed by The Guildhall Trust a charity registered in England & Wales (no. 1153358)
Registered Address: Portsmouth Guildhall, Guildhall Square, Portsmouth, Hampshire PO1 2AB

As we embark on the Government's roadmap towards reopening, I would like to say a big thank you to everyone that has supported The Guildhall Trust through what has been one of the most challenging times in the history of Portsmouth Guildhall. If you have bought a ticket for a future show or a Guildhall Membership, held on to tickets if your show has been rescheduled, made a donation, rescheduled your wedding, party or conferencing booking with us or even just engaged with us on social media, you have made a big difference to us as a charity.

Once we are able to reopen I want to reassure you that your safety and that of my colleagues will remain my priority. All concerts and events that take place at Portsmouth Guildhall will follow all Government and Public Health guidance so that you can have an enjoyable and stress-free experience with us.

We have also extended our 'Book With Confidence Guarantee' meaning that if Covid gets in the way of your plans we guarantee to refund your tickets or exchange them if you would prefer. See website for full details.

With the same spirit that saw us rebuild after the Blitz, we can't wait get back to doing what we love – entertaining, inspiring and transforming lives.

We look forward to welcoming you back!
