INSPIRING, ENTERTAINING AND TRANSFORMING LIVES

As we approach a busy Autumn 2022 Season, I wanted to take a moment to reflect on how far we have come in the past year! Since the return of live performance we have been extremely busy and we thank everyone for their support of the measures we have had in place at times and their consideration of each other.

This year our Dance Live! competition event for Schools and Colleges engaged 4,000 young people and we added an additional heat at Poole Lighthouse due to demand. It is now with overwhelming demand from across the country that we will be taking Dance Live! beyond Portsmouth in 2023 to High Wycombe, Guildford, Eastbourne, Poole and the north of England!

Our Portsmouth Comic Con – International Festival of Comics was a sell-out success welcoming 8,000 people over the weekend and we look forward to its return along with our Guildhall Games Fest and SAMPLED events across the coming year.

Our UVG – The Urban Vocal Group has expanded its singing and music making activity into Gosport and Fratton, our Recharge singing group for those aged 55+ and Skiffle Orchestra sessions have recommenced, we have relaunched our Tickets for the Community scheme and we will shortly be awarding more small grants through our Hornpipe Theatre charity.

The season ahead is an exciting one with a great mix of shows in the main auditorium, Guildhall Studio and our new space 'The Box' plus the return of our Cirque Du Guildhall Christmas and New Year's Eve celebrations.

We are delighted to welcome EVENTIM UK as our new ticketing system partner and we look forward to working with them to deliver an exceptional customer service experience for you!

GUILDHALL

We are, and have always been, committed to reducing the impact that our operations and activities can have on the environment.

Not only have we retained our 'A' for our building's energy performance operational rating this year, we improved our score! This is a great achievement – public buildings typically score a 'D'

We only fit LED lighting throughout the venue

We have introduced recycling throughout the venue

We have changed all of our plastic glasses to Oxo-Biodegradable Flexy-Glass – a more eco-friendly option

We work with transport providers to encourage the use of public transport

We recently took part in 'Act Green', a national survey to understand what you think our role as a cultural organisation should be in tackling the climate emergency. Thank you to everyone who responded – we will be implementing more initiatives very soon!

No, it's not The Beatles, it's not Slade, Take That or One Direction – it's The Fisherman's Friends! Britain's oldest boy band, combined age 401 (and three-quarters) – announce a string of dates for 2022/2023. "We can't wait to get out and about and sing live for our supper again – we love it," says founding member Jon Cleave.
